

Thought you should know....

NY 23

Where do these three candidates for Congress stand on important economic issues facing our families? There are big decisions to be made and it is essential to know exactly where our Representatives will draw the line when it comes to pocketbook issues like health care reform, taxes and spending, cap and trade, and card check.

With the economy facing serious challenges, now is the time to study the policy positions favored by each candidate and evaluate their plans for dealing with our financial situation.

Please take a moment and review where these Candidates stand on economic liberty and the size and scope of the federal government.

What we do:

FreedomWorks recruits, educates, trains, and mobilizes hundreds of thousands of volunteer activists to fight for less government, lower taxes, and more freedom.

Why we do it:

FreedomWorks believes individual liberty and the freedom to compete increases consumer choices and provides individuals with the greatest control over what they own and earn.

How we do it:

FreedomWorks' real-time campaigns activate a growing and permanent volunteer grassroots army to show up and demand policy change.

Leadership:

FreedomWorks is lead by our Chairman Former Majority Leader Dick Arney and our President, Matt Kibbe
